# Wild Edibles Hike

**Friday**  
**September 8, 2017**  
**10:00 – 11:30 am**

**Harvesting your own food isn't limited to your garden. Join DNR Staff at Theresa Marsh Wildlife Area in Washington County to learn about the variety of wild edibles available in or near your backyard. Dress for the weather; bug spray and ankle boots are suggested. Program is free and open to the public.**
