Keynote Address:  
*"Repairing Harm,  
Restoring Communities"*

**Frank Davis** is the Organizer for MOSES (Madison Organizing in Strength, Equality, & Solidarity) and an outstanding leader in the community of Madison. Frank will share the story of regaining his freedom after close to 20 years in prison and reflect on how we as a community can begin the crucial and costly work of reconciliation in order to restore relationships and build the beloved community we hope for.

**SOPHIA**  
Celebrating 15 Years!

SOPHIA unites people of faith to build better communities through education, advocacy, and action.
