**CLIMATE
STRIKE**
20-27 SEPT

Our demonstration will include a photo shoot with participants shown demonstrating outside of our Hartland Church. Photos will be shared with the UUMFE Climate Strike organizers and local news outlets. The climate strike activities are slated for September 20th through 27th. Individual actions are slated for the days in between. The events will concur United Nations Climate Change Summit on September 23rd.

Over 150 countries are participating. Protests are sponsored by a diverse group of global organizations, including Amnesty International, Oxfam, La Via Campesina, Fridays for Future, Extinction Rebellion and many others.

Please feel free to bring an appropriate poster or signage this event.

Greta Thunberg will be joining the climate strike in New York City on September 20th, leading up to a United Nations Climate Change Summit on September 23rd.
