

Student Advocates Needed!

Are you a student worried about climate change?

Are you interested in influencing climate policy?

Want to learn how to bring your voice to people making the big decisions?

Want to teach other students how to make a difference too?

Join **Wisconsin Citizens Climate Youth Action Team!**

Who We Are

- We are Citizens Climate volunteers who advocate for national climate solutions and we are looking to grow our Wisconsin Youth Action Team.
- We provide a space for local youth to communicate and interact with other young people about climate and advocacy.
- We educate and support youth by providing opportunities for civic action and engagement.
- We focus on optimism, building relationships, and non-partisan solutions to the climate emergency.
- Join us to amplify your voice and engage in our democracy!

Activities

Politicians don't lead, they follow. You can lead them in the right direction through many types of projects with the Youth Action Team. Examples include:

Grassroots Outreach

Learn how to give presentations or design videos that teach people about climate solutions and how to make their voices heard

Grasstops Outreach

Organize your school, school district, or local government to pass a resolution calling for climate action; Reach out to a local business to ask them to speak up for climate action

Media

Learn how to write letters to the editor and opinion pieces for newspapers; Help produce videos for Tik Tok, Instagram and Twitter to inspire others to take action

Engaging Federal Lawmakers/Lobbying

Plan and attend meetings to lobby your federal lawmakers; design and carry out email and calling campaigns to lawmakers and their staff; Attend our June Conference in WDC

Earn Volunteer Hours/Leadership Experience
